# IT Solutions Navigator

Joseph de Rosales

IT Specialist

Office of Information Technology Category

April 26, 2017

## Agenda

- Training Objectives
- Overview of IT Solutions Navigator
- Training Demo
- Information Technology Category Offerings
- Planned Enhancements
- Contact Information

## Training Objectives

- Educate customers about GSA's IT Solutions Navigator eTool
- Increase awareness of how the IT Solutions Navigator tool will assist customers in acquiring GSA's integrated IT solutions
- Familiarize customers with key features of the IT Solutions Navigator tool
- Promote awareness of GSA's customer support services and other useful resources available to assist customers with their acquisition needs

## Overview of IT Solutions Navigator:

IT Solutions Navigator continues to provide guidance to customers on selecting the best contracts from GSA's broad array of IT offerings.

### ➤ **GSA's eTool for IT Solutions**

- Assists customers in identifying GSA contracts available to meet their IT solution needs

### ➤ **Complements the Acquisition Gateway**

- Connects buyers to GSA resources, tools and expanded decision support for IT acquisitions

### ➤ **Customer Audience**

- Federal, state, local, and tribal government organizations (acquisition/IT professionals)
- Other agencies and organizations eligible to use GSA sources of supply and services (GSA Order ADM 4800.2G)

## Customer Benefits

- Fast and easy market research to help buyers make informed decisions and choices about IT acquisitions
- Online advice and assistance from GSA representatives through integrated Live Chat function
- Online, self service resource to assist customers in aligning IT solutions to meet their mission requirements

 IT Solutions Navigator

Home FAQ Help Register/Sign In

Welcome to

## IT Solutions Navigator

This application will help you evaluate GSA's IT and telecommunications solutions. Use it to conduct market research and identify IT solutions that best meet your requirements.

The tool also provides online help so you can select and use GSA's contract vehicles.

Here is how the contract matching process works.

1

### DEFINE

Define whether you are a federal or tribal, state or local government organization.

2

### SELECT

Select your Information Technology and Telecommunications needs.

3

### SPECIFY

Specify your acquisition requirements.

Get Started Now!

Chat Now!

# Top Toolbar: FAQ

[Home](#)[FAQ](#)[Help](#)[Register/Sign In](#)

Q What is the IT Solutions Navigator tool?

Answer:

The IT Solutions Navigator tool is a decision support system aimed to assist customers in evaluating GSA's Integrated Technology Services (ITS) solution categories and identifying an appropriate acquisition vehicle to meet their business needs.

Q Do I need access to login into the IT Solutions Navigator tool?

Q What are the benefits to providing your contact information?

Q Can I use the IT Solutions Navigator tool to fulfill order requests?

# Top Toolbar: Help

## Help & Instructions

 [Download the User Training Manual](#)

Welcome to IT Solutions Navigator Online Help!

Thank you for using GSA's IT Solutions Navigator website to facilitate your search for available Information Technology and Telecommunications solutions to fulfill your mission requirements.

This online help section provides:

- 1) step-by step instructions for navigating through the contract vehicle matching process
- 2) information on how to access other website features
- 3) links to additional help references for solution categories and contract vehicles

To navigate throughout this online help:

- Click a **hyperlink** in the **Table of Contents** below to access help on a particular topic.
- To search for an item not in the **Table of Contents**, from the **Edit** menu, select **Find** (or hold down **Ctrl + F** keys) and type **partial or complete words** in the textbox, and click **Next** or **Previous** till you find the item.
- Click **Go to Top** at the bottom right of the page to return to the **Table of Contents** anytime.
